EXPERIENCE

ADJUNCT FACULTY

Rensselaer Polytechnic Institute, Department of Communications, Troy NY

2010 to present

Designed and taught Graphic Design Studio and Electronic Portfolio Development. Both courses aim to address use of current technology and ideology in networked media in graphic design through implementation of concepts and ideas in visual communication. Researched material, developed syllabus and lesson plans, taught lectures, worked with students to evaluate effectiveness of projects through group critiques and individual meetings.

ADJUNCT FACULTY

Siena College, Department of Creative Arts, Loudonville NY

2010 to present

Developed and taught new Graphic Design course for the department, aimed at introducing students to concepts in visual communication, and conceiving and producing visual representations of ideas. Researched and developed syllabus, designed lesson plans, taught lectures and worked with students to evaluate effectiveness of projects through group critiques and individual meetings.

RESIDENT TEACHING ARTIST

CEPA Gallery, Buffalo NY

2010

Developed a new curriculum for sound art to teach through the gallery's *Writing with Light: Soundscapes* program. This program uses the nature of photography, sound and poetry to create individual works of art around a central, relevant theme for 7th grade students in underserved public schools in the Buffalo region. Developed a comprehensive series of lessons focused on teaching the science, practical applications and nature of sound; and recording and production of sound art work in tandem with CEPA staff and two additional teaching artists.

OFFICE MANAGER

Ph.d, a design studio, Santa Monica CA

2009-2010

Offered administrative support and managed the day-to-day needs of the principal and other employees in the office, including: reception, managing the schedule of the principal, managing client meetings, coordinating travel for staff, maintaining office supplies and appearance, project and materials research and management, maintaining and updating client and materials databases.

PROJECT MANAGER

AIGA the professional organization for design, New York NY

2007-2009

Organized, managed and provided support for three AIGA program initiatives: design educators, diversity and sustainability. Helped develop mechanisms for grassroots involvement and communication in these areas. Acted as the primary contact and facilitator with the Worldstudio Foundation for the Worldstudio AIGA Scholarship program. Projects managed include the AIGA Design Journeys archive initial stages and launch; the AIGA Salary Survey and Design Educators Salary Survey; liaison for Compostmodern 08 conference on sustainable design practices; liaison for Icoграда; NGO status research.

INSTRUCTOR OF RECORD

State University of New York at Buffalo, Buffalo NY

2004-2006

Developed a syllabus for Intro to Digital Photography. This course included teaching the technical aspects of camera use, as well as introduction and application of seminal critical ideas in the history of photography. Teaching methodology included a mix of practical tutorials and projects, guided reading and discussion, and critical review of work.

CLASSIFIEDS ASSOCIATE

Artvoice Alternative Newsweekly, Buffalo NY

1997-2002

Worked with the Classifieds Manager to produce this advertising section of the newspaper. Sold advertising, addressed customer inquiries, managed classifieds and distribution databases, assisted in layout of section for print and online production, reconciled outstanding debts and managed department accounting.

ASSOCIATE DIRECTOR

Big Orbit Gallery, Buffalo NY

1997-2002

Co-coordinated gallery operations, both administrative and program-oriented. Worked with the Executive Director in the coordination of visual arts programming (from artist communication and materials/equipment location to installation and finishing), planning and implementing programs, designing and distributing promotions, cultivating membership, fundraising, supervising gallery volunteers and staff, researching and organizing technological development. Actively pursued audience expansion through the development of forums and exhibition opportunities designed to engage a new audience in contemporary art dialogue.

SKILLS

Expertise in project management (including organization, communications and liaison work, documentation and completion within an established timeframe); developing and enacting visual and conceptual art courses for higher education. Technical skills include: PC/Mac platforms, MS Office (including Word, Powerpoint and Excel), Adobe CS (Photoshop, Illustrator, InDesign, Dreamweaver); HTML, CSS for web design.
